Dr Shiromali (Shiro) Ekanayake

WELL WOMEN'S HEALTH CHECK

A great opportunity is available for women of all ages for a comprehensive women's health check tailored to your needs.

It includes:

- ◇ Menopause
- ◇ Breast health
- ◇ Osteoporosis screening
- ◇ Sexually transmitted infection screening
- ◇ Diabetes screening
- ◇ Cholesterol checks
- ◇ Cardiovascular screening
- ◇ Contraceptive advice
- ◇ Cervical screening tests (pap smears)
- ◇ Assessment of prolapse
- ◇ and much more

Consultation will be approximately 1 hour. In the first half hour you will be assessed by the nurse, before seeing your GP.

We have partnered with I-Med Radiology to book a diagnostic mammogram / breast ultrasound on the same day as your Well Women's Health Check, if required.

For a screening mammogram, please book this online direct with BreastScreen Victoria (breastscreen.org.au), or phone 13 20 50. These are also done at I-Med Radiology.

If you are interested in booking in for a Well Women's Health Check with one of the GPs, please contact the Shepparton Women's Health Centre on 03 5821 3555 or see Reception.

After Medicare rebate, out of pocket fee will be \$52.50.

If you are aged between 45 and 49 years, you could be entitled to a bulk billed health assessment. Please call to discuss your eligibility.
